## Calle Quitapenas – 2 Bedroom Apartment with Sunterrace

---

---

### Description of the apartment:

This 2nd floor apartment, entered from a typically Spanish street, is located *directly* in front of the beach. It opens into a marble hallway and has an open kitchen and living room, a separate bathroom with a walk-in shower and toilet. Furthermore there are 2 large bedrooms. A beautiful big sun terrace provides stunning views along the local coastline, the surrounding beach and the northern coast of Morocco. For your comfort and relaxation the terrace is equipped with a variety of outdoor furniture, allowing you to top up your tan in the Andalusian sun.

### Description of local area:

This apartment is situated in an area just east of Málaga centre, called 'El Palo'. There are a number of restaurants that serve the typical Spanish food such as tapas and paella, however El Palo is well known as the best place to eat fish. Furthermore there are loads of bars, shops and supermarkets nearby and the centre of Málaga is only 20 minutes away by bus.

### Journey to school:

The quickest and easiest way to get to our school is by walking. It is a short distance taking only 15 minutes from the apartment.
